- Better plan for choosing clubs
 - Allow clubs to be better prepared
 - Add club choice to survey as an informative only question, not a guarantee
- Possibly switch clubs
 - Saturday – South
 - Sunday - North
- Jason and Teryn will continue to organize 626

2019 State Shoot

- Need more Fitasc Refs

New Business

2020 State Dates

- Western regionals may be in September as well
- Change the date to avoid as many conflicts as possible
- Could be as early as May 2020
 - Not the same month as the 626
- Jason will e mail clubs to see who has interest in state 2020 with possible date changes

Target Waste

- Issue at most all shoots but was obvious at 626
- Would help if shooters followed rules with show pairs
 - One good pair for report
 - Two allowed for True
 - First shooter in the box only
- Would help shooters if clubs
 - Had special targets listed on the menu i.e. midi, rabbit, etc
 - This is an NSCA rule
 - Have map showing where the traps are located and which ones are being used

- Term is about to expire
- The more years you agree to the cheaper it is
